WE NEED YOUR HELP!

The Southern Illinois District, through the Student Aid Endowment Fund supports District students who request financial assistance while attending a Lutheran college or seminary . Through your generous support and the financial grant from the Spencer Werner Foundation, the Southern Illinois District annually awards approximately \$50,000 in scholarships to these students.

Thank you for submitting your team in this year's tournament. Would you please pass the information about our tournament to other golfers of your acquaintance, who might be interested in playing in the tournament. Just give a quick phone call to the District Office, (618-234-4767) and a tourney entry form will be forwarded to you or the team captain.

You might have a friend who does not play golf, but who would consider supporting our tournament. This can be accomplished by a monetary gift and thus becoming a hole sponsor. Or....for \$1,000 a person or business can request a Corporate Sponsorship which includes entry for a four-person team.

Again, thank you for your support and your team entry in the 3rd Annual Tournament. Our promise is that you will have a good time and good food.
